

**THE YADAVA PRACTICE**

**PATIENT INFORMATION**

The Yadava Practice would like to offer you the ability to receive text message reminders for your appointments booked at the practice.

The SMS service should not be solely relied upon, as the responsibility of attending and cancelling appointments still rests with you, but we hope this will make things easier.

Messages are generated by an NHS secure service. However, they are transmitted over a public network to a personal phone. The practice will never transmit any information that would enable an individual patient to be identified, or specifically which texts they have had.

**Please tick the box below**

I CONSENT to the practice contacting me by text message for the purpose of appointment reminders. I will ensure that I keep the practice informed of my up to date mobile number at all times, or if the number is no longer in my possession.
